The film is inspired by the American TV series *Bones*, and is an unofficial remake of the American TV series *Bones*. This film is a remake of another TV series which inspired the film *Crime*. The film was released on 27 April 2013 and was a success at box office, grossing. The film is successful at box office because of Akshay Kumar's popular character in the movie. Contents Plot The movie begins with a modern-day story revolving around Dr. Vindi who is about to do a show on a murder case. While listening to the story on the radio, a man (Akshay Kumar) hears the name "Dr. Akshay". The movie then flashes back to a parallel story where a man (Manoj Bajpayee) and his wife Manisha (Kajal Aggarwal) are being murdered in their home. Meanwhile, the story revolves around the brother of Dr. Vindi (Kunal Kapoor), who is also a doctor (Akshay Kumar) who is also trying to solve a case. In order to get some extra information on the case, he keeps a pair of glasses on his bedside, which will make him get information from the dead (as the glasses are worn by the dead). It is later revealed that he is the owner of the

glasses. Dr. Vindi is the host of the show on which the first case is going to be discussed, and he is also the voice of a radio talk show host. The doctor's brother (Akshay Kumar) hires a specialist to find out the whereabouts of his brother and when he starts looking for the man, he is introduced to another man (Manoj Bajpayee) who is doing some business with the mafia. Their friendship blossoms and he meets his wife (Kajal Aggarwal) who is a police officer. During a meeting, he is shocked to see his brother, alive, who had escaped from the jail and came to the police to seek help in solving the murder case of his wife and his brother. Later, the doctor goes back to the hospital, but he gets a call from a man (Raghu Karthak) who is the new owner of the glasses, and he tells him where his brother has been hiding. When the doctor arrives there, he finds his brother dead and buried in the same place as his wife and brother. The doctor then uncovers the truth behind the 82157476af
